Whose life is it anyway? And people wonder why doctors think they are gods.

The question is, why wasn't more done about it? Instead of blaming an inanimate object with no moral bearing, may be we need to blame the individuals involved and those that failed to stop this from happening in the first place.

It might empower him to become a statistic.

May be this needs to be changed to being treated for a mental illness.

The same with the Aurora assailant, James Homes.
