2012 Ted Nugent to Piers Morgan: Suck My Machine Gun Posted by The Right Guy

The article seems to rail against the idea of procreation and with undertones of pro-abortion agenda, but what caught my eye was a comment by a person who calls themselves RKG.

The problem as I see it isn't equal rights, but superior rights demanded by people that aren't willing to accept that some people may not like them and because of their choices, there are consequences.

It's not gun control that is the problem.

My impetus for this blog is to serve as the clarion call to others, like minded or not, that our freedom is at stake in a world of increasing collectivism.
