The problem as I see it isn't equal rights, but superior rights demanded by people that aren't willing to accept that some people may not like them and because of their choices, there are consequences.

It's not gun control that is the problem.

My impetus for this blog is to serve as the clarion call to others, like minded or not, that our freedom is at stake in a world of increasing collectivism.

I don't know about you, but I would want a choice in the matter, even if it might prove terminal.
