It might empower him to become a statistic.

The Seatons claimed that the waiver didn't give Patterson authority to conduct an amputation without further consent.

The question is, why wasn't more done about it? Instead of blaming an inanimate object with no moral bearing, may be we need to blame the individuals involved and those that failed to stop this from happening in the first place.

peen hammer? Would they think that is better because not as many people might not

Whose life is it anyway? And people wonder why doctors think they are gods.

Something is really wrong here: The Illinois House on Tuesday approved legislation allowing undocumented immigrants to obtain temporary driver's licenses.

While not in league with Illinois, NY, CA or DC, it's not Arizona either.

May be this needs to be changed to being treated for a mental illness.
