Have you ever been adjudicated mentally defective (which includes a determination by a court, board, Thank you for reading this blog.

Patterson has consulted with either of them before proceeding, or if he had allowed them to consult with another physician to get a second opinion or other treatment options," Stumbo wrote.

before they happen, which is one, identifying mentally ill people, prevent them from buying guns

What we need is crazy control.

Judge Michael Caperton dissented, but did not issue a written opinion.

Under the plan, drivers would get three-year licenses, called Temporary Visitor Driver s Licenses, but would be required to take a driver's education class and carry car insurance.

The first is the final failure, the latter is the first failure.

One of the comments shows how twisted some people are and RKG should be a poster-child for the pro-abortion movement, after all, it's something she endorses.

We already prohibit domestic violators from obtaining firearms.
