The problem as I see it isn't equal rights, but superior rights demanded by people that aren't willing to accept that some people may not like them and because of their choices, there are consequences.

I don't know about you, but I would want a choice in the matter, even if it might prove terminal.

It's not gun control that is the problem.

In the two cases mentioned, we know that one was "getting help" and both were know to be ill.
