Judge Janet Stumbo and Judge Donna Dixon concluded that, even though Seaton had limited ability to read and write, he never informed the doctor of that fact and signed the consent form in the presence of a witness.

Would it make people feel better if he used an axe, scissors or a ball

The article seems to rail against the idea of procreation and with undertones of pro-abortion agenda, but what caught my eye was a comment by a person who calls themselves RKG.
