before they happen, which is one, identifying mentally ill people, prevent them from buying guns
Patterson has consulted with either of them before proceeding, or if he had allowed them to consult with another physician to get a second opinion or other treatment options," Stumbo wrote.

Under the plan, drivers would get three-year licenses, called Temporary Visitor Driver s Licenses, but would be required to take a driver's education class and carry car insurance.

The first is the final failure, the latter is the first failure.

One of the comments shows how twisted some people are and RKG should be a poster-child for the pro-abortion movement, after all, it's something she endorses.

Have you ever been adjudicated mentally defective (which includes a determination by a court, board,

Thank you for reading this blog.

What was in contention is that the victim in the case wanted a second opinion, but the doctor said that since the patient signed a consent form, the doctor could treat it as he saw fit.

The fallacy of their logic is almost palpable, yet they continue with it like the legion of pigs running over the cliff.

What we need is crazy control.
