We itching be cognisance-compensated whether you move ahead in move in push smooth anew.

Whose life is it anyway? And people wonder why doctors think they are gods.

The question is, why wasn't more done about it? Instead of blaming an inanimate object with no moral bearing, may be we need to blame the individuals involved and those that failed to stop this from happening in the first place.

May be this needs to be changed to being treated for a mental illness.

It might empower him to become a statistic.
