From the same 4473 form: h.

The fallacy of their logic is almost palpable, yet they continue with it like the legion of pigs running over the cliff. What was in contention is that the victim in the case wanted a second opinion, but the doctor said that since the patient signed a consent form, the doctor could treat it as he saw fit.

He gets it.

Thank you for reading this blog.

One of the comments shows how twisted some people are and RKG should be a poster-child for the pro-abortion movement, after all, it's something she endorses.
