Have you ever been adjudicated mentally defective (which includes a determination by a court, board,

With the logic hoplophobes use, we should outlaw cars and alcohol because of drunk driving (which kills more people in this country than guns do), we should outlaw forks, knives and spoons because people are obese or may be castrate all men because some of them rape women.

Patterson has consulted with either of them before proceeding, or if he had allowed them to consult with another physician to get a second opinion or other treatment options," Stumbo wrote.
